

Northstar Technologies

Remote Work Policy

Eligible employees may work remotely up to 3 days per week, subject to team requirements.

Remote work schedules should be agreed with the employee's manager in advance.

Employees working remotely are expected to remain reachable during their agreed working hours.

Company data must only be accessed using approved devices, applications, and security controls.

Remote Equipment

Employees may request an approved company laptop and monitor for remote work.

Equipment requests should be submitted to the IT service desk.

Employees are responsible for taking reasonable care of company equipment used at home.
