

NovaTech Payment Policy

The Payment API and internal payment operations follow the limits described in this document.

Payment Limits

The minimum standard payment amount is **\$1.00**. The maximum standard payment amount is **\$10,000.00 per transaction**.

Payment Type	Minimum	Maximum	Currency
Standard transaction	\$1.00	\$10,000.00	USD
Refund	\$1.00	\$5,000.00	USD
Manual adjustment	\$1.00	\$2,500.00	USD

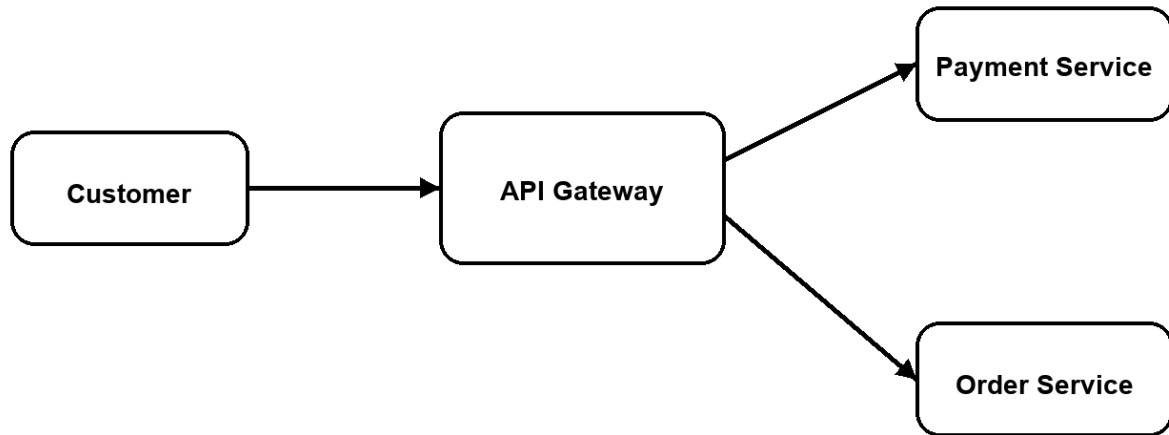

Authentication

The Payment API uses **Bearer Token authentication**. Clients must send the token in the HTTP Authorization header.

Architecture Reference

The following diagram shows how customer requests reach the API Gateway and are routed to the Payment Service or Order Service.

NovaTech Application Architecture

Customer → API Gateway → Payment Service / Order Service
